

## NoRe Terms and Conditions

### The Service

The NoRe provides a benchmark data service for NIBOR and other related market information via a variety of delivery mechanisms to subscribers.

### Limitation of Liability

Whilst all care is taken, and notwithstanding the independent verification of the data, NoRe are not responsible for the accuracy or timeliness of the information and will not be liable for any damages sustained by a subscriber, or any other person, arising from the use of, or reliance on, NoRe data.

### Disclaimer

To the maximum extent permitted by law, the NoRe Benchmark Data is provided "as is" and the NoRe, its licensors, and its and their respective employees, contractors, agents, suppliers and vendors shall have no liability or responsibility whatsoever (whether in negligence or otherwise) for damages, claims, losses or expenses – whether direct, indirect, consequential, incidental, punitive or otherwise – arising in connection with the NoRe Benchmark Data, including but not limited to losses or expenses caused by errors or delays in calculating or disseminating the NoRe Benchmark Data.

### Access

The subscription entitles a Subscriber organisation, and any notified subsidiary with greater than 51% ownership, to receive and use the NoRe data service, through an authorised vendor or via alternate methods of delivery, for the limited purposes, and under the terms and conditions of this agreement.

### Terms of Use

These terms of use are limited to the named Organisation site/s specified in the Subscription Agreement or reported to NoRe in the agreed manner and are non-transferable.

The Organisation may:

- Retrieve and use the NoRe data for their own internal business purposes only.
- Use insubstantial amounts of data incorporated in value added reports supplied to clients on an infrequent basis as part of the Subscriber organisation's ordinary course of business.

The Organization is not permitted to:

- Redistribute, recirculate or republish any information outside the named organization.
- Commercially exploit the data package in any form or by any method or include the data in an index for commercial distribution to third parties.
- Use the NoRe data for the operation of futures and clearing services. (Licences for such use rights can be obtained by contacting the NoRe directly)
- Publish any NoRe data to a website, without prior written approval from NoRe.

For the avoidance of doubt, subscription to real time data does not provide an automatic approval to share the NoRe Benchmark Data with third party fund administration, custody or other outsourced ancillary service providers. Subscribers wishing to engage third parties for these purposes must notify NoRe of the proposed service provider for prior approval. NoRe will not unreasonably withhold such requests, provided that the service provider has the appropriate license.

### Subscription Charges

Subscription fees are paid annually in advance, and NoRe will invoice your organisation directly. From the commencement date of the agreement, no payment will be due to any information vendor in respect of the NoRe data. Subscription fees are subject to review and NoRe will provide a minimum of 3 months' notice for any subscription charge changes.

Payment is integral to the agreement and failure to pay will result in loss of access to NoRe data and potentially permanent loss. NoRe reserves the right to request a compliance certificate from any subscriber to ascertain that it is meeting the terms of this agreement.

**Commencement date**

The Agreement will commence on the day of submission of the Online Subscription Form or signed Subscriber Agreement and NoRe will advise the relevant authorised information vendor of the organisation's subscription details. The annual subscription period is 1st January to 31st December. A pro-rata subscription charge will apply for agreements signed part way through the subscription period. This agreement will automatically renew on 1st January each year unless written notice of termination is received with minimum of 30 days prior to the 1st January renewal date.

**Changes in the Service**

The NoRe reserves the right to change the format and/or content of the NoRe data service from time to time without advance notice.
